

**Scholarship**  
**IBSA Foundation for scientific research - USI**  
**Call academic year 2026-2027**

Aim

**IBSA Foundation for scientific research (“IBSA Foundation”)** establishes annual renewable scholarships as a contribution of encouragement to medical studies at USI.

Entity

Each scholarship consists of an annual (academic year) amount of CHF 2'000 to be discounted on the spring semester fee.

Field of application and conditions

Students regularly enrolled in the first or second year of the Master of Medicine USI are eligible for obtaining the scholarship.

Awarded students who discontinue their studies will lose the benefit of the scholarship.

Decision

The scholarships are attributed by an Award Committee consisting of:

- 2 members appointed by IBSA Foundation
- 2 members designated by USI

The Commission decides once the enrollment has been verified.

The Commission's judgement is unquestionable.

Application

The application request must be sent to the Dean's Office of the Faculty of Biomedical Sciences USI by 15.09.2026 through the following online form:

<https://redcap.usi.ch/surveys/?s=84FFFA7D9XKTACJ9>

Requested attachments:

For 1<sup>st</sup> year Master students:

- a letter of request and motivation
- Bachelor of Medicine diploma together with the academic record (grades)

For 2<sup>nd</sup> year Master students:

- a letter of request and motivation

Granting criteria

The scholarship can be renewed only once within the Master's program.

The IBSA Foundation scholarship cannot be combined with other scholarships and/or study grants provided by USI.

Scholarships awarding

The scholarship is awarded during an event of the Faculty of Biomedical Sciences.
