

IBSA scholarship 2020/2021

IBSA Foundation for Scientific Research – scholarship 2020/2021

Field of application

IBSA Foundation for scientific research offers scholarships for medical students enrolled in Bachelor or Master studies in medicine at USI, including the host-students at University of Basel, conducting their Master at USI.

Selection criteria

The scholarships are awarded on the basis of merit criteria.

The scholarship can be renewed a maximum of 2 times during the Master studies, based on the criteria described in the regulation.

The IBSA scholarships can not be combined with other scholarships and / or study contributions provided by USI.

IBSA Foundation for Scientific Research – scholarship 2020/2021
