

USI – Dottorato in medicina (Dr.med / MD)

Matriculation to the doctoral program in medicine

Application for matriculation to the Doctor of Medicine (Dr.med / MD) program can be submitted electronically to mina.curcic@usi.ch, only if the candidate holds a Federal Medical Diploma (state examination), a medical degree awarded by a Swiss medical school or a foreign degree recognized by the Federal Office of Health (MEBEKO).

Application for matriculation requires the following documents:

1. Curriculum vitae
2. School-leaving certificate
3. Medical diploma after passing the state examination; or foreign medical diploma, recognized by the Federal Health Office
4. Dissertation agreement (doctoral thesis agreement)

Acceptance Procedure

Upon completion of the dissertation the candidate agrees to send:

1. Dissertation
2. Dissertation evaluation drafted by the dissertation management.

After an initial review, the dissertation is forwarded to the Doctoral committee, which directly accepts the work if there are no critical issues.

Fee

The registration fee for the doctorate in medicine (Dr.med.) is CHF 500.

The awarding of the doctorate is contingent upon payment of the fee.
