

Scholarship

IBSA Foundation for Scientific Research - USI

Regulation for the academic year 2023-2024

Aim

IBSA Foundation for Scientific Research (“IBSA”) establishes annual renewable scholarships as a contribution of encouragement to medical studies at USI.

Entity

Each scholarship consists of an annual (academic year) amount of CHF 2'000 to be discounted on the spring semester fee.

Field of application and conditions

Students regularly enrolled in the Master of Medicine USI are eligible for the scholarship if obtaining a Bachelor of Medicine degree in a Swiss university by the autumn exam session or having completed the first year of the Master of Medicine.

Students awarded who discontinue their studies will lose the benefit of the scholarship.

Decision

The scholarships are attributed by an Award Committee consisting of:

- 2 members appointed by IBSA
- 2 members designated by USI

The Commission decides once the enrollment has been verified.

The Commission's judgement is unquestionable.

Application

The application request must be sent to the Dean's Office of the Faculty of Biomedical Sciences USI by 19.09.2023 through the following online form:

<https://redcap.lu.usi.ch/surveys/?s=8ER7W4W9AL9F3AJ3>

Requested attachments:

For 1st year Master students:

- a letter of request and motivation
- Bachelor of Medicine diploma together with the academic record (grades)

For 2nd year Master students:

- a letter of request and motivation

Granting criteria

The scholarship can be renewed only once within the Master's program.

The IBSA scholarship cannot be combined with other scholarships and/or study grants provided by USI.

Scholarships awarding

The scholarship is awarded as part of a Faculty of Biomedical Sciences event.
