

## Scholarship

### IBSA Foundation for Scientific Research - USI

#### Regulation for the academic year 2021-2022

#### Aim

IBSA Foundation for Scientific Research (“IBSA”) establishes annual renewable scholarships as a contribution of encouragement to medical studies at USI.

#### Entity

Each scholarship consists of an annual (academic year) amount of CHF 2'000 to be discounted on the spring semester fee.

#### Field of application and conditions

Students regularly enrolled at USI are eligible for the scholarship if the following criteria are verified:

- For Master students, obtaining a Bachelor of Medicine in a Swiss university by the autumn exam session or having completed the first year of the Master of Medicine
- For Bachelor students, being at 2<sup>nd</sup> or 3<sup>rd</sup> year (guest-students at the Universität Basel) and requesting a renewal of the scholarship.

Students awarded who discontinue their studies will lose the benefit of the scholarship.

#### Decision

The scholarships are attributed by an Award Committee consisting of:

- 2 members appointed by IBSA

- 2 members designated by USI

The Commission decides once the enrollment has been verified.

The Commission's judgement is unquestionable.

#### Application

The application request must be sent to the Dean's Office of the Faculty of Biomedical Sciences USI by 20.09.2021 through the following online form:

<https://redcap.lu.usi.ch/surveys/?s=3CATYJ8HNE>

Requested attachments:

For Bachelor students (2<sup>nd</sup> and 3<sup>rd</sup> year, renewals only):

- a letter of request and motivation
- transcript of records of the previous academic year

For 1<sup>st</sup> year Master students:

- a letter of request and motivation
- Bachelor of Medicine diploma together with the academic record (grades)

For 2<sup>nd</sup> year Master students:

- a letter of request and motivation

#### Granting criteria

The scholarship can be renewed only once within the Master's program.

The IBSA scholarship cannot be combined with other scholarships and/or study grants provided by USI.

#### Scholarships awarding

The scholarship is awarded as part of a Faculty of Biomedical Sciences event.
