«Business Concept can be of great value to researchers who want to leverage their discoveries. This benefits not only the economy but also the academic research itself.»

Prof. MD Antonio Lanzavecchia, Director
Institute for Research in Biomedicine, USI,
Scientific founder of Humabs BioMed

«The growing market potential of innovative technologies will open incredible business opportunities: valuable entrepreneurial skills are crucial to face the challenge.»

Prof. Dr. Emanuele Carpanzano, Director
Department of Innovative Technologies, SUPSI

«As a researcher developing technology, I worked with students learning how to start a business around that technology. It was a stimulating and engaging experience for all.»

Prof. Dr. Antonio Carzaniga,
Dean Faculty of Informatics, USI
